### **FREEDOM!**

With Memorial Day only a few days behind us and the Fourth of July quickly approaching, I wanted to express my gratitude for the freedom I enjoy so very much living in the United States of America but most importantly, the blessings I experience each and every day living as a believer and a follower of Jesus Christ. Many in our nation will celebrate July 4 or Independence Day without much thought of what freedom truly means. Families and friends will gather for picnics, parades, barbecues, vacations, and fireworks. For all of us who live along the coast, summer will be in full swing; and July 4 will mark the height of tourists pouring into the beaches to take in the shows, bask along the shores, swim in the surf, play putt putt, shop, eat, and so much more!

I hope that as we celebrate our country's birthday, all of us will pause to ponder the extravagant freedom we enjoy because of the patriotic men and women who have sacrificially served our country. Dating back to the American Revolutionary War, more than 1.1 million Americans have died in US wars. While I have never personally served in the US military, my father served as an Air Force pilot during WWII, and I am truly humbled and so very appreciative of what he gave and what so many of you gave to allow me to live in the greatest country on the planet, the United States of America!!!

As I think of so many men and women giving the ultimate gift of their lives so that millions upon millions of Americans can wake up every morning and make personal choices, I am completely humbled and awestruck as I think of one man who gave His life so that all inhabitants of the earth can experience eternal freedom. The freedom we know during our lifetime is limited and temporary just as our time on earth is fleeting and will end with our physical death, but for those of us who have accepted the free gift of salvation, true freedom begins when we stand before the throne of our Savior and enter Heaven where everyone will live in complete freedom, love, peace, unity, and perfection.

Until that day comes, we all have a job to do! Romans 12:18 says that we should live at peace with everyone. To do that we need the supernatural help each and every day of Jesus Who encourages us to selflessly love, serve, and care for all He puts in our lives. Jesus first tells us to love our neighbors as ourselves (Mark 12:31) which is difficult enough but then He raises the bar even higher as He commands us to love each other as He loved us (John 15:12). I would like to leave you with this Bible verse as we celebrate our political and spiritual freedoms – “Greater love has no one than this; to lay down one's life for one's friends” (John 15:13). Happy 4<sup>th</sup> of July and thank you for choosing to be a part of our Berry Financial Group Family.
